

MONDAY MEN'S LEAGUE FREQUENTLY ASKED QUESTIONS

Q: How do I sign up and pay for Monday League?

A: Players sign up individually and can group with a pod of other players. Players can also register and pay at King's Walk Golf Shop. League Fee for prizes is \$80, and GHIN handicap, \$40.

Green fees are included for our golf members. Non-members pay a green fee upfront, \$160 for each half of the season (8 weeks per half/\$20 per time). The first half is due May 15th, second half July 17th.

Q: What types of formats are played weekly?

A: Each week a different format is played. Best Balls, Stableford Points (a point system based on par), Scramble, and Individual stroke play. Handicaps are used to determine net scores. Players will alternate between front nine and back nine weekly.

Q: What type of players usually play in the league?

A: This league is open to players of all abilities. We try to achieve "friendly competition". The handicap system helps level the field so everyone has a chance to win the weekly games. Must be 18 years old and we have golfers of all ages and abilities.

Q: Will I play with the same person every week if I sign up with a group?

A: Most weeks you will play with different players. If you are in a pod, typically one person from your pod, and two players from another pod. The League is designed to meet and network with new people.

Q: How do the prize payouts work?

A: Typically, the top 3 teams (groups that play together) played on the front and back nine. There are also course games such as closest to pins and long putts.

Q: Do I need to show up every week?

A: No. If you cannot make it, notify James in the golf shop in advance so that you are not included in the coming week's pairings.

Q: When does the league start and end?

A: Regular season play begins on May 15th and ends on August 28th. Postseason play on September 11th, 18th. Fun night and our awards banquet, September 25th.

Q: What time does the league start each week?

A: In the past we have always done a 6:00pm shotgun start. The first four weeks of league this season we will try something different, split tee times from 4:30-6:30pm off holes #1 & #10. This should allow for some flexibility for those who need/want to play early or late and allow some players to play more than 9 holes. We may go back to a 6:00pm shotgun based on feedback from players and staff.

Q: How will I know who I play with each week?

A: An email will be sent with your pairing for the week, the tee time, and a log in code from Golf Genius, our mobile scoring app.

Q: Can I add more people to my pod after league play starts?

A: Absolutely! We are always looking for more players.

Q: Does the league allow substitutes?

A: Yes. The sub would need to pay \$7 for a weekly fee and a green fee if they aren't a member.
